

# Risk Tolerance Questionnaire

A) strongly agree, B) agree, C) neither agree nor disagree, D) disagree or E) strongly disagree

	A	B	C	D	E
High returns are more important to me than protecting the value of my portfolio.	5	4	3	2	1
I consider myself to be a conservative investor.	1	2	3	4	5
I want to maximize my returns even if that means sometimes I will see the value of my portfolio decline.	5	4	3	2	1
I expect that my portfolios will only contain high-quality companies.	1	2	3	4	5
I am willing to include speculative investments in my portfolio.	5	4	3	2	1
I would want my portfolio to include a high proportion of high-quality bonds.	1	2	3	4	5
Total	Sum (5 to 25)				

5	10	15	20	25
Very Conservative	Conservative	Balanced	Aggressive	Very Aggressive

Product selection, asset allocation, investment strategy		
Low risk		High risk
